

Hey, TOUGH GUY,
put down that CHISEL
AND NOBODY GETS HURT!!!

Now it's a one man job

Slams downtime down.

SAVES time,
work, fingers.

With the Slide Sledge® Heavy Equipment™ hammer, now nobody has to hold the chisel. Driving pins, shearing bolts and a lot of other tough maintenance jobs go slicker, faster and a lot safer. See Slide Sledge work and you won't be able to keep your hands off it.
